

# High Ridge Manor

## Top B&B's Paso Robles

*Based on 24 reviews as of 6/3/2009*

*Review Highlights - "Gorgeous vistas with very gracious hosts."  
"The room was lovely with a panoramic view, and the grounds were absolutely charming with chickens, friendly cats and dogs and beautiful roses and flowers everywhere. Breakfasts and afternoon snacks were uniformly delicious. To top it all off, Jim and Cindy offered some great suggestions for special wineries to visit in the area, and we loved every one of them! A wonderful place to stay in Paso Robles."*
